

## Join the Flintbox Network and Get Connected

---

Flintbox is Canada's innovation database, and a global intellectual property exchange. Membership lets individuals and organizations join the Flintbox Network to connect with other users from around the world and access the innovation database.

### Membership for as little as \$5 per month!

Pro Accounts are the best value for individuals and companies that want a presence on Flintbox. Pro Account members include researchers, venture capital firms, companies, government offices and research labs. Pro Accounts will ensure you are connecting with the right people as quickly as possible, and at an affordable price.

### Who Can Benefit?

Research Institutions become Flintbox members to post technology opportunities to a global audience while accessing a full suite of in-office management tools such as click wrap licensing, e-commerce or invoicing, and real time reporting.

Companies and industry associations become Flintbox members to access innovation and development opportunities plus post their own technology needs. Reach out to key contacts that can help with your licensing and collaboration needs!

### Why go Pro?

- **Increase Your Profile:** Publish a user Profile to the entire Flintbox Network including technology transfer professionals, trade commissioners, and the Venture Capital community.
- **Receive real time Notifications:** Create keyword alerts and RSS feeds to get notified immediately by email when there is new content posted by other members in your area of interest.
- **Get included in Alerts to other Members:** By tagging your user Profile with relevant keywords, you will be included in email alerts sent to all technology providing Members on the Flintbox Network, giving them the opportunity to see your Profile and invite you to license materials that may not be published for public viewing on Flintbox.
- **Licensing Opportunities:** Do you have a technology opportunity that you want to share with other members on the Flintbox Network? Add project pages to your Profile describing new innovations and opportunities.

## Flintbox Membership Options

We offer three levels of membership – Basic, Pro and Group. Group membership comes in three tiers and is available to research organizations and companies. Group membership can be customized to meet your specific needs, contact [support@flintbox.com](mailto:support@flintbox.com) for more options.

	Basic Account	Pro Account	Group Membership		
			Tier 1 Basic Group Member	Tier 2 Research Group Member	Tier 3 Corporate Group Member
